1 Foreword

SF/T 0143-2023 was issued by Ministry of Justice of the People's Republic of China on 7 October 2023 and has been in force since 1 December 2023.

The SF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 13 pages in English translation.

2 Scope Preview

This standard specifies the product description of mobile terminal data identification equipment, specifies the technical requirements for inspection material support, functionality, information security, reliability, ease of use, maintenance and performance efficiency, and describes the test and evaluation methods. This document applies to the design, development, testing and evaluation of mobile terminal data identification equipment.
