1 Foreword

SF/T 0153-2023 was issued by Ministry of Justice of the People's Republic of China on 7 October 2023 and has been in force since 1 December 2023.

It replaces the earlier edition SF/Z JD0302001-2015.

The SF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the equipment and tools, identification procedures, recording requirements and identification opinions for the authenticity identification of pictures in the identification of audio and video materials. This document is applicable to the authenticity identification of pictures in the identification of audio-visual materials in the field of forensic identification.
