1 Foreword

SF/T 0158-2023 was issued by Ministry of Justice of the People's Republic of China on 7 October 2023 and has been in force since 1 December 2023.

It replaces the earlier edition SF/Z JD0403001-2014.

The SF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the overall requirements for software similarity identification as well as the requirements for instruments and equipment, identification steps, identification records and identification opinions. This document is applicable to the identification of software similarity in the field of forensic identification.

SF/T 0158-2023 falls under ICS 35.240, in the field of information technology.
