1 Foreword

SF/T 0159-2023 was issued by Ministry of Justice of the People's Republic of China on 7 October 2023 and has been in force since 1 December 2023.

The SF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 5 pages in English translation.

2 Scope Preview

This standard specifies the general requirements, equipment and tools, inspection methods, analysis and judgment, and inspection and appraisal opinions for non-motor vehicle braking systems in road traffic accidents. This document is applicable to the inspection and appraisal of non-motor vehicle braking systems in road traffic accidents. The inspection and appraisal of the braking systems of vehicles with three wheels (inclusive) or less and four-wheeled wheelchairs involved in the case that are not legally registered and
