1 Foreword

SF/T 0160-2023 was issued by Ministry of Justice of the People's Republic of China on 7 October 2023 and has been in force since 1 December 2023.

The SF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 10 pages in English translation.

2 Scope Preview

This standard specifies the overall requirements and parameter inspection for traffic accident reconstruction based on images, road traffic accident process reconstruction based on fixed video images, road traffic accident process reconstruction based on vehicle-mounted video images, and road traffic accident scene reconstruction based on on-site photos. and records and outcomes of road traffic accidents. This document is applicable to image-based reconstruction of road traffic accidents. Image-based
