1 Foreword

SF/T 0161-2023 was issued by Ministry of Justice of the People's Republic of China on 7 October 2023 and has been in force since 1 December 2023.

The SF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 5 pages in English translation.

2 Scope Preview

This standard specifies the overall requirements, inspection process and analysis and judgment for road test inspection and identification of vehicle braking performance in road traffic accidents. This document is applicable to the road test inspection and appraisal of automobile driving brake performance involved in road traffic accidents. In other cases, the road test inspection and appraisal of automobile driving brake performance shall be implemented by reference.
