1 Foreword

SF/T 0162-2023 was issued by Ministry of Justice of the People's Republic of China on 7 October 2023 and has been in force since 1 December 2023.

It replaces the earlier edition SF/Z JD0101001-2016.

The SF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the overall requirements, general requirements, identification methods, identification of typical traffic behavior patterns of persons involved in road traffic accidents at the time of the incident, and the types and requirements of identification opinions. This document is applicable to the identification of traffic behavior patterns of persons involved in road traffic accidents at the time of the incident. The identification of the traffic behavior of the persons involved in accidents that occur when vehicles are traveling
