1 Foreword

SJ 20846-2002 was issued by Ministry of Industry and Information Technology on 30 October 2002 and has been in force since 1 March 2003.

The SJ prefix, without a suffix, marks a mandatory standard: within its scope, compliance is required.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard provides for electroplating gold potassium cyanide solution technical requirements, test methods, quality assurance requirements and delivery preparation. This standard applies to military plating gold potassium cyanide.

SJ 20846-2002 is filed under Chinese Standard Classification A29, in the field of general, standardization and metrology.

This catalogue holds 1,191 other SJ standards without an ICS number.

In this catalogue, SJ standards carry edition years from 1965 to 2021.

3 About this standard

Sector: Electronics Industry Standard

Issued by: Ministry of Industry and Information Technology

English translation: about 8 pages (approximate)

Chinese original: about 8,817 characters

4 Related standards
