1 Foreword

SL/T 19-2023 was issued by Ministry of Water Resources of the People's Republic of China on 16 August 2023 and has been in force since 16 November 2023.

It replaces the earlier edition SL 19-2014.

The SL/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard applies to water conservancy capital construction projects that use all or part of fiscal funds (hereinafter referred to as projects), and other projects can be implemented by reference.

SL/T 19-2023 falls under ICS 03.100.01, in the field of services and company organization.

This catalogue holds 2 other SL/T standards in that field.
