## 1 Foreword

SL/T 291.3-2025 was issued by Ministry of Water Resources on 29 September 2025 and has been in force since 29 December 2025.

It replaces the earlier edition SL 166-2010.

The SL/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

## 2 Scope Preview

SL/T 291.3-2025 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 229 other SL/T standards.

Of the 74 SL/T standards that do carry an ICS number, 24 (32%) fall under ICS 27, in the field of energy and heat transfer engineering.
