1 Foreword

SL/T 336-2025 was issued by Ministry of Water Resources on 24 May 2025 and has been in force since 24 August 2025.

It replaces the earlier edition SL 336-2006.

The SL/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
