1 Foreword

SL/T 719-2024 was issued by Ministry of Water Resources of the People's Republic of China on 24 December 2024 and has been in force since 24 March 2025.

It replaces the earlier edition SL/Z 719-2015.

The SL/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
