1 Foreword

SL/T 782-2019 was issued by Ministry of Water Resources of the People's Republic of China on 6 November 2019 and has been in force since 6 February 2020.

The SL/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 63 pages in English translation.

2 Scope Preview

SL/T 782-2019 falls under ICS 27.140, in the field of energy and heat transfer engineering.

This catalogue holds 23 other SL/T standards in that field.

In this catalogue, SL/T standards carry edition years from 1994 to 2026.
