1 Foreword

SL/T 789-2019 was issued by Ministry of Water Resources of the People's Republic of China on 13 November 2019 and has been in force since 13 February 2020.

The SL/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

SL/T 789-2019 falls under ICS 13.100, in the field of environment and health protection, safety.

This catalogue holds 14 other SL/T standards in that field.

In this catalogue, SL/T standards carry edition years from 1994 to 2026.
