1 Foreword

SL/T 825-2024 was issued by Ministry of Water Resources of the People's Republic of China on 18 May 2024 and has been in force since 18 August 2024.

The SL/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 41 pages in English translation.

2 Scope Preview

This standard applies to the construction, transformation and management improvement of small rural water supply projects that are not covered by urban and rural water supply integration and large-scale water supply.

SL/T 825-2024 falls under ICS 13.060.20, in the field of environment and health protection, safety.
