Foreword

SN/T 0400 "Import and Export Canned Food Inspection Regulations" is divided into 12 parts.

- Part 1. General;
- Part 2. raw and auxiliary materials;
- Part 3. Processing hygiene;
- Part 4. Containers;
- Part 5. Canned;
- Part 6. Thermal sterilization;
- Part 7. Finished product;
- Part 8. Packaging;
- Part 9. Labels;
- Part 10. Cooking food;
- Part 11. Glass containers;
- Part 12. Port inspection.

This part is the seventh part of SN/T 0400. This section refers to Good Manufacturing Practices (GMP), Hazard Analysis, and Critical Control Points.

(HACCP) and other internationally accepted food safety control system requirements, combined with the characteristics of China's canned food production, trade and inspection write.

This part replaces SN 0400.6-1995 "Export Canned Inspection Procedures".

This section is revised on the basis of SN 0400.6-1995. The main changes compared with SN 0400.6-1995 are as follows.

- Added a sampling plan for non-continuous batches;

--- "Reference standard" was changed to "normative reference document" (Chapter 2 of the 1995 edition; Chapter 2 of this edition);

--- Added tests for five pathogenic bacteria, and tests for total bacteria, coliforms, molds and yeasts;

--- Added the inner wall and sealing test of glass containers and composite containers;

--- Listed the chemical and microbiological testing items that can be tested for canned food so far, and clearly based on product characteristics and quality the need to control determines the test method, test items, and frequency of detection.

This part is proposed and managed by the National Certification and Accreditation Administration.

This section drafted by. Yangzhou Entry-Exit Inspection and Quarantine Bureau of the People's Republic of China, Tianjin Entry-Exit Inspection and Quarantine Bureau of Fujian Entry-Exit Inspection and Quarantine Bureau of the People's Republic of China.

1 Scope

This part of SN/T 0400 specifies the sampling and inspection of canned food products and the determination and disposal of inspection results.
