1 Foreword

SN/T 1418-2004 was issued by General Administration of Quality Supervision, Inspection and Quarantine of the People Republic of China on 1 June 2004 and has been in force since 1 December 2004.

The SN/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.
