Foreword

SN/T 2360 to GB 2760-2007 "food additives health standards" and after 2006 additions to food additives Objects, according to China's existing food additives national standards, industry standards, and the FAO/WHO JECFA, US, EU and Japan Food additive standards, with laws and regulations related to the development of our country and other international food additive.

SN/T 2360 "for the inspection of import and export food additives," consists of the following components.

- Part 1. General;
- Part 2. acidity regulator;
- Part 3. anti-caking agent;
- Part 4. defoamers;
- Part 5. antioxidants;
- Part 6. bleach;
- Part 7. leavening agent;
- Part 8. candy gum base agent substances and ingredients;
- Part 9. colorants;
- Part 10. color fixative;
- Part 11. emulsifier;
- Part 12. enzymes;
- Part 13. flavor enhancers;
- Part 14. flour treatment agent;
- Part 15. Coating agent;

- Part 16. water retention agent;
- Part 17. Nutrition Enhancer;
- Part 18. preservatives;
- Part 19. stability and coagulant;
- Part 20. sweeteners;
- Part 21. thickener;
- Part 22. spice flavors;
- Part 23. Compound food additives;
- Part 24. Specific use of food additives;
- Part 25. Food processing aids.

This section is SN/T 2360 Part 11.

Appendix A of this section is an informative annex.

This section proposed and managed by the National Certification and Accreditation Administration Committee.

1 Scope

This section SN/T 2360 provides for import and export food additives, emulsifiers technical requirements, sampling, testing, results of the evaluation, comprehensive evaluation and disposal of fixed principles and reinspection.

This section applies to the import and export of food additives emulsifiers supervision and inspection.

2 Normative references

The following documents contain provisions which, through reference SN/T 2360 and become part of the provisions of this section. For dated references, all subsequent amendments (not including errata content) or revisions do not apply to this section, however, encourage the agreement on this section Whether the parties can study the latest versions of these documents. For undated reference documents, the latest versions apply to this section.
