1 Foreword

SN/T 4624.18-2021 was issued by General Administration of Customs on 18 June 2021.

It is one of 19 parts of the SN/T 4624 series.

The SN/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

SN/T 4624.18-2021 is filed under Chinese Standard Classification C62, in the field of medicine, health and labour protection.

This catalogue holds 4,178 other SN/T standards without an ICS number.
