1 Foreword

SN/T 4656.10-2024 was issued by General Administration of Customs on 16 December 2024 and has been in force since 1 June 2025.

It is one of 10 parts of the SN/T 4656 series.

The SN/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
