1 Foreword

SN/T 4877.12-2018 was issued by General Administration of Customs on 12 March 2018 and has been in force since 1 October 2018.

It is one of 15 parts of the SN/T 4877 series.

The SN/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

SN/T 4877.12-2018 is filed under Chinese Standard Classification C62, in the field of medicine, health and labour protection.
