1 Foreword

SN/T 5001-2017 was issued by General Administration of Customs on 8 December 2017 and has been in force since 1 July 2018.

The SN/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

SN/T 5001-2017 is filed under Chinese Standard Classification A90, in the field of general, standardization and metrology.
