1 Foreword

SN/T 5403-2021 was issued by General Administration of Customs on 22 November 2021 and has been in force since 1 June 2022.

The SN/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.
