1 Foreword

SN/T 5489-2023 was issued by General Administration of Customs on 5 May 2023 and has been in force since 1 December 2023.

The SN/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.
