1 Foreword

SN/T 5501.2-2023 was issued by General Administration of Customs on 5 May 2023 and has been in force since 1 December 2023.

It is one of 2 parts of the SN/T 5501 series.

The SN/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
