1 Foreword

SY/T 6896.2-2013 was issued by National Development and Reform Commission on 28 November 2013.

It is one of 4 parts of the SY/T 6896 series.

The SY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
