1 Foreword

TB/T 3180-2007 was issued by Ministry of Railways of the People's Republic of China on 20 August 2007 and took effect the same day.

The TB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies the railway yard and delivery of goods within the reach of ordinary warehouse, goods cupboard, platform and storage yard's ability to use the standard calculation method applicable to ordinary goods to the annual volume at 300, 000 tons and above the railway yard.

TB/T 3180-2007 falls under ICS 03.220.30, in the field of services and company organization.

This catalogue holds 57 other TB/T standards in that field.

In this catalogue, TB/T standards carry edition years from 1973 to 2026.
