1 Foreword

TB/T 3568.2-2021 was issued by National Railway Administration on 28 May 2021.

It is one of 3 parts of the TB/T 3568 series.

The TB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

TB/T 3568.2-2021 is filed under Chinese Standard Classification S05, in the field of railways.

This catalogue holds 1,254 other TB/T standards without an ICS number.

In this catalogue, TB/T standards carry edition years from 1973 to 2026.

3 About this standard

Sector: Railway & Train Industry Standard (Recommended)

Issued by: National Railway Administration

English translation: about 11 pages (approximate)
