1 Foreword

TCSAE 162-2020 was issued by China Society of Automotive Engineers on 13 November 2020 and took effect the same day.

The TCSAE prefix marks a association standard, adopted voluntarily.

The document runs to 19 pages in English translation.

2 Scope Preview

This document specifies the performance requirements and methods for the bench test of passenger car suspension systems. This document is applicable to the bench test of passenger car suspension system.

TCSAE 162-2020 falls under ICS 43.040, in the field of road vehicle engineering.

This catalogue holds 32 other TCSAE standards in that field.

In this catalogue, TCSAE standards carry edition years from 2015 to 2020.
