1 Foreword

TCSAE 87-2018 was issued by China Society of Automotive Engineers on 24 July 2018 and took effect the same day.

The TCSAE prefix marks a association standard, adopted voluntarily.

The document runs to 6 pages in English translation.

2 Scope Preview

This standard stipulates the operation of electric vehicles after the emergency rescue department completes the disposal of electric vehicle accidents. As a procedure. This standard applies to the safe disposal of electric vehicles after an accident.

TCSAE 87-2018 is filed under Chinese Standard Classification T 40, in the field of vehicles.

This catalogue holds 37 other TCSAE standards without an ICS number.

In this catalogue, TCSAE standards carry edition years from 2015 to 2020.

3 About this standard

Issued by: China Society of Automotive Engineers

English translation: about 6 pages

Chinese original: about 8,898 characters
