1 Foreword

TY/T 1105-2023 was issued by General Administration of Sport on 1 September 2023 and has been in force since 1 November 2023.

The TY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 9 pages in English translation.

2 Scope Preview

This document stipulates the assessment process, assessment planning, assessment implementation and assessment summary for the safety assessment of mass sports events. This document is applicable to the safety assessment of all types of mass sports events at all levels.

TY/T 1105-2023 falls under ICS 97.220, in the field of domestic and commercial equipment, sport.

This catalogue holds 52 other TY/T standards in that field.

In this catalogue, TY/T standards carry edition years from 2005 to 2026.

3 About this standard

Issued by: General Administration of Sport

English translation: about 9 pages

Chinese original: about 14,161 characters
