5 General Requirements
5.1 Architectural design requirements
5.2 Requirements for auxiliary facilities
6 Competition Venue Requirements
6.1 Runway and runway slope
6.2 Track and field requirements
6.3 Field requirements

1 Foreword

TY/T 2004-2024 was issued by General Administration of Sport on 20 September 2024 and has been in force since 1 April 2025.

The TY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 34 pages in English translation.

2 Scope Preview

This document specifies the classification and configuration requirements, general requirements and competition venue requirements for track and field venues and facilities, and defines the Terms and definitions of implementation. This document applies to the design and design proposals of all types of outdoor track and field facilities that are newly built, expanded, or renovated for the purpose of hosting track and field events. And on-site acceptance.

TY/T 2004-2024 falls under ICS 97.220.10, in the field of domestic and commercial equipment, sport.

This catalogue holds 52 other TY/T standards in that field.

In this catalogue, TY/T standards carry edition years from 2005 to 2026.
