1 Foreword

TY/T 3601-2023 was issued by General Administration of Sport on 1 September 2023 and has been in force since 1 November 2023.

The TY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 9 pages in English translation.

2 Scope Preview

This document stipulates the selection requirements, product requirements, pre-use inspection, usage water requirements, and Marking, packaging, transportation, storage and maintenance. This document applies to rowing equipment used for competitions, training and other activities in still water areas. For rowing equipment for other types of activities, please refer to use.
