1 Foreword

TY/T 3701.6-2019 was issued by General Administration of Sport on 19 December 2019 and has been in force since 1 June 2020.

It is one of 7 parts of the TY/T 3701 series.

The TY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This part of TY/T 3701 specifies the requirements, test methods, labels and instructions for crotch protection and belly protection for combat sports. This section applies to crotch protectors and abdomen protectors for combat sports (hereinafter referred to as "protective gear").

TY/T 3701.6-2019 falls under ICS 97.220, in the field of domestic and commercial equipment, sport.

This catalogue holds 52 other TY/T standards in that field.

In this catalogue, TY/T standards carry edition years from 2005 to 2026.
