1 Foreword

TZ 323-2010 was issued by Ministry of Agriculture of the People's Republic of China on 31 March 2010 and took effect the same day.

The document runs to 47 pages in English translation.

2 Scope Preview

This standard applies to conduct in-situ using movable formwork construction of railway concrete simply supported beam, continuous beam cast construction can reference.

TZ 323-2010 is filed under Chinese Standard Classification P 65, in the field of engineering construction.

This catalogue holds 8 other TZ standards without an ICS number.

In this catalogue, TZ standards carry edition years from 2007 to 2010.
