Foreword

This standard was drafted in accordance with the rules given in GB/T 1.1-2009.

This standard proposed by the China Federation of Logistics and Purchasing and centralized.

1 Scope

This standard specifies the quality requirements and quality testing methods required for the laying of wood flooring accessories.

This standard applies to wood flooring accessories R & D, this standard does not apply to functional flooring accessories.

2 Normative references

The following documents for the application of this document is essential. For dated references, only the dated version applies to this article Pieces. For undated references, the latest edition (including all amendments) applies to this document.

GB 2419 method for determination of fluidity of cement paste GB/T 2792 pressure-sensitive adhesive tape 180 ° peel strength test methods GB 4455 agricultural polyethylene blow molding film GB 5237.1 aluminum alloy building profiles - Part 1. Substrate GB/T 8626 flammability test methods for building materials GB/T 8810 Determination of water absorption of rigid foam Determination of GB/T 8813 rigid foam compression properties GB/T 8814 doors, windows with plasticized polyvinyl chloride (PVC-U) profiles GB/T 10801.2 adiabatic extruded polystyrene foam (xps) GB/T 15036.1 solid wood flooring - Part 1. Technical requirements GB/T 15036.2 Solid wood flooring - Part 2. Test methods Test method for building waterproofing coatings GB/T 16777 Test method for strength of cement mortar GB/T 17671 GB/T 18102 impregnated paper laminated wood floor GB/T 19250

polyurethane waterproof coating HG/T 4223 wood flooring adhesive Gypsum plaster JC/T 603 cement mortar dry shrinkage test methods JC/T 864 polymer emulsion architectural waterproof coating Wood flooring laying technology and quality testing

3 Terms and definitions

The following terms and definitions apply to this document.

Wooden floor woodenflooring Solid wood flooring used for the ground surface, parquet, impregnated paper laminate wood flooring, bamboo flooring, cork flooring and other wooden floor General [WB/T 1030-2006, Definition 3.1]
