1 Foreword

WH/T 77-2016 was issued by Ministry of Culture of the People's Republic of China on 27 December 2016 and has been in force since 1 April 2017.

The WH/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies the general requirements and principles of theater stage performance management, safety management, personnel management, equipment maintenance management and document management. This standard applies to the theater as the representative of the performance venues, multi-purpose hall, concert hall, auditorium and other venues can also refer to the use. This standard is for the stage staff in the work procedures and security measures in the guidance of documents, can not cover
