1 Foreword

WH/T 98-2022 was issued by Ministry of Culture and Tourism on 27 December 2022 and has been in force since 27 March 2023.

The WH/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard stipulates the basic requirements for public art museum services, and stipulates the requirements for service facilities, service resources, service content, and service management. This standard applies to public art galleries established with the approval of people's governments at or above the county level, as well as other public cultural institutions that provide public art services. Non-state-owned art museums established with the approval of the local civil affairs department may refer to it.
