1 Foreword

WM/T 6-2004 was issued by Ministry of Commerce of the People's Republic of China on 16 February 2005 and has been in force since 1 April 2005.

The WM/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies the red clover extract of the technical requirements, test methods, inspection rules and labeling, packaging, transport and storage requirements. This standard applies to red clover as raw material extracted from the specification of the total isoflavones 8. 0% or 20% of the extract.

WM/T 6-2004 falls under ICS 11.120, in the field of health care technology.
