1 Foreword

WS/T 10019-2024 was issued by National Health Commission on 11 October 2024 and has been in force since 1 March 2025.

The WS/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the setting, staffing, layout, construction, basic equipment requirements and management system of health (health) rooms in primary and secondary schools. This standard applies to primary and secondary schools of all levels and types (including secondary vocational and technical schools).

WS/T 10019-2024 falls under ICS 13.100, in the field of environment and health protection, safety.

This catalogue holds 55 other WS/T standards in that field.
