1 Foreword

WS/T 10020-2024 was issued by National Health Commission on 11 October 2024 and has been in force since 1 March 2025.

The WS/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the quality control requirements for health examinations of primary and secondary school students. This standard applies to medical and health institutions and public health management departments that carry out student health examinations in ordinary primary and secondary schools and secondary vocational schools in my country. Other physical examination activities for primary and secondary school students can be used as a reference.

WS/T 10020-2024 falls under ICS 13.100, in the field of environment and health protection, safety.
