1 Foreword

WS/T 426.1-2013 is issued by National Health and Family Planning Commission of the People's Republic of China.

It is one of 2 parts of the WS/T 426 series.

The WS/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the method of investigative steps for the estimated dietary survey undertaken by food intake for 24 hours recall method and content. This section applies to personal dietary surveys.

WS/T 426.1-2013 falls under ICS 11.020, in the field of health care technology.

This catalogue holds 489 other WS/T standards in that field.

In this catalogue, WS/T standards carry edition years from 1996 to 2026.
