What this standard covers

This standard specifies the basic requirements for biosafety facilities, equipment and management of clinical laboratories in medical institutions. This standard applies to clinical laboratories (referred to as "laboratories") with a biosafety protection level of Level 2, and does not apply to biosafety Level 3 and Level 4 laboratories.

Document data

International classification (ICS): 11.020.

Chinese classification (CCS): C50.

Estimated length of the Chinese original: 31,324 words.

Supersedes the earlier edition WS/T 442-2014.
