1 Foreword

WS/T 798-2022 was issued by National Health Commission on 24 January 2022.

The WS/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

WS/T 798-2022 is filed under Chinese Standard Classification C59, in the field of medicine, health and labour protection.

This catalogue holds 240 other WS/T standards without an ICS number.

In this catalogue, WS/T standards carry edition years from 1996 to 2026.

3 About this standard

Sector: Health Industry Standard (Recommended)
