What this standard covers

This standard stipulates the content of the evaluation of the operating conditions, childcare team, childcare, health care, parenting support, safety and security, and institutional management of childcare institutions. This standard applies to the evaluation of institutions (including kindergartens) that provide full-day care services for infants and young children under 3 years old. The evaluation of childcare institutions that provide half-day care, part-time care, temporary care and other care services can be carried out by reference.

Document data

International classification (ICS): 11.020.

Chinese classification (CCS): C63.

Estimated length of the Chinese original: 56,574 words.
