1 Foreword

WW/T 0014-2008 was issued by State Administration of Cultural Heritage on 16 February 2009 and has been in force since 1 March 2009.

The WW/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 13 pages in English translation.

2 Scope Preview

This standard specifies the text content and format of the silk fabric protection and repair program, and defines the basic terms in the protection and restoration program. This standard is mainly applicable to the preparation of silk protection and repair program for the collection, for the collection of enterprises, scattered or handed down cultural relics and archaeological site silk artifacts protection and restoration program also has a certain reference value.
