1 Foreword

WW/T 0015-2008 was issued by State Administration of Cultural Heritage on 16 February 2009 and has been in force since 1 March 2009.

The WW/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 13 pages in English translation.

2 Scope Preview

This standard specifies the relevant terms, textual content, record format, record text, record information source and recording method and rules in the collection of silk fabric protection repair files. This standard is mainly applicable to the archival record of silk artifact protection and restoration work.

WW/T 0015-2008 is filed under Chinese Standard Classification A 16, in the field of
