1 Foreword

WW/T 0024-2010 was issued by State Administration of Cultural Heritage on 1 July 2010 and has been in force since 1 September 2010.

The WW/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 21 pages in English translation.

2 Scope Preview

This standard stipulates the scope, content and quality requirements of archival filing of cultural relics protection project documents, the examination criteria for the archiving and reorganization of cultural relics protection project documents, and defines the basic terminology for filing of cultural relics protection project documents. This standard applies to the filing of cultural relics protection project documents and the examination and transfer of project documents.
