1 Foreword

WW/T 0073-2017 was issued by State Administration of Cultural Heritage on 8 August 2017 and has been in force since 1 December 2017.

The WW/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the contents and requirements for the classification, technical requirements, test methods, inspection rules, signs, packaging, transportation and storage of official-style architectural glazed tiles in the Qing Dynasty. This standard applies to clay or coal gangue as the main raw material, through the molding, firing, lead glaze, glaze firing and other traditional firing process for the Qing Dynasty official glazed building protection repair glazed tile. Other glazed ornaments can refer to use.
