## 1 Foreword

WW/T 0078-2017 was issued by State Administration of Cultural Heritage on 8 August 2017 and has been in force since 1 December 2017.

The WW/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 12 pages in English translation.

## 2 Scope Preview

This standard stipulates the basic principles and contents of the preparation of the design documents for the protection of modern cultural heritage buildings, the current situation investigation and documentation, scheme design documents, construction drawing design documents, engineering cost economic documents and formats. This standard is applicable to the protection engineering design of modern cultural heritage buildings throughout the country. The design documents for the protection of modern and historic buildings that have
